

The Perestroika Deception: Behind the Mask – part I

Putin is a proven fraud and communist, Russia and China in final preparations for military conquest of the West

A truly peaceful nation does not speak and act in warrior terms. Although the East expends much effort in pretence of virtue, in script of the long-range communist deception strategy or 'Perestroika Deception', as revealed (with a predictive success of 94%) by Soviet defector Mr Anatoliy Golitysn (1), the mask slips. This is unavoidable, because as Our Blessed Lord said in Divine wisdom:

"For out of the abundance of the heart the mouth speaketh.....By their fruits you shall know them." (Matthew 12:34-35 & 7:16)

Accordingly, Putin in clearly presaged delectation of Western conquest and the ravages of war, told Western journalists in 2008 that their wives should learn 'how to cook cabbage soup':

"He told Western observers who refused to monitor the forthcoming election, widely seen as a sham, that they should rather teach their own wives how to cook cabbage soup."(2)

In 2016, he revealed his true communist credentials, in declaring his like of communist and socialist doctrine:

"You know that I, like millions of Soviet citizens, over 20 million, was a member of the Communist Party of the USSR and not only was I a member of the party but I worked for almost 20 years for an organization called the Committee for State Security," Putin said, referring to the KGB "I was not, as you know, a party member by necessity" he said. "I liked communist and socialist ideas very much and I like them still."(3)

Also in 2016, Putin made public evangelisation illegal.(4) Mr. Hannu Haukka, President of Great Commission Media Ministries, said, "This new situation resembles the Soviet Union in 1929. At that time, confession of faith was permitted only in church."

And in 2018, in further affirmation that his apparent 'Christianity' is totally fake (5), he compared the mausoleum of Lenin with a Christian relic: "Putin went further by comparing the Communists' attitude to the Bolshevik leader Lenin to the veneration of saints in Christianity. 'Look, Lenin was put in a mausoleum. How is this different from the relics of saints for Orthodox Christians and just for Christians?'"(6)

Putin's words were music to the ears of Communist Party members. 'I think these words of the president very effectively and reasonably smooth out the acute angles around the theme of the mausoleum', Deputy Chairman of the State Duma Ivan Melnikov said on Sunday, as cited by Interfax.

Earlier this year, Gennadiy Zyuganov, the head of the Russian Communist Party, said Putin had promised him that as long as he remains president, Lenin's body would remain in the mausoleum in Red Square.

"As long as I sit here, there will be no barbarism in Red Square" the Communist chief quoted Putin as saying at a conference with Russian party leaders."

The fundamental identity of communism is hatred of God, externalised in violence, destruction, death and enslavement of men. As Marx said in excerpt of his poems:

I have power within my youthful arms
To clench and crush you with tempestuous force.
See this sword? The prince of darkness sold it to me.

If there is a something which devours,
I'll leap within it, though I bring the world to ruins.
The world which bulks between me and the abyss,
I will smash to pieces with my enduring curses.
Then I will be able to walk triumphantly,
Like a god, through the ruins of their kingdom.
Every word of mine is fire and action,

My breast is equal to that of the Creator.

I wish to avenge myself against the One who rules above.(7)

In his annual Presidential address on 1st March 2018, Putin displayed aggressive flex of Russian (ie. Soviet) 'tempestuous force' and 'fire and action'. He said, 'It is actually surprising that despite all the problems with the economy, finances and the defence industry, Russia has remained a major nuclear power. No, nobody really wanted to talk to us about the core of the problem, and nobody wanted to listen to us. So listen to us now!'

(1 hr 41 m 36 m)

For almost an hour in this speech, we see a peacock show of weaponry (from 1 hr 15 m 15 s). Note also that the delivery aircraft for his new 'dagger' missile system has the Soviet 5 pointed red-star on the tail-fin! (1 hr 38 m 21 s) And of course, his speech was inter-laced with the usual anti-Western propaganda and characterisation of the US especially, as aggressor.

The communist show of military might was the mark of the Soviets, before they implemented the 'Perestroika Deception'. And as we see in their 'victory day' celebrations in Red Square this year, the same is true today (note the prominent hammer and sickle emblem in the lead photo of this article). Watch the a 17 minute video in reference (8). The fundamental to the whole parade was simply virulent military power.

What about Russia's ally China? We see here Karl Marx's 200th birthday as celebrated in 2018 by the Chinese regime. In the forefront President Xi, who as with Gorbachev, has been cast in his role in deceit of his 'avuncular' appearance.

In January 2018, they conducted an ostentatious exercise in display of their military strength. (9) Ominously, Xi stated that the military should: "create an elite and powerful force that is always ready for the fight, capable of combat and sure to win in order to fulfil the tasks bestowed by the Party and not to fear death."

Anatoliy Golitsyn warned that alliance between Russia and China, is the final step before communist confrontation of the West:

'Before long, the communist strategists might be persuaded that the balance had swung irreversibly in their favour. In that event they might well decide on a Sino-Soviet "reconciliation." The element of apparent duality in Soviet and Chinese policies will disappear. The hitherto concealed coordination between them will become visible and predominant. The scissors strategy would give way to the strategy of one clenched fist to provide the foundation and driving force of a world communist federation. At that point the shift in the political and military balance would be plain for all to see. The

argument for accommodation with the overwhelming strength of communism would be virtually unanswerable.”(10)

It is clear we have reached this stage!

September 2018

'Russia has launched what it has called its largest ever military drills, with hundreds of thousands of troops joining Chinese soldiers.

Taking part in the drills are around 300,000 Russian soldiers, 36,000 military vehicles, 80 ships and 1,000 aircraft, helicopters and drones, as well as 3,500 Chinese troops.'

(10) June 2019

'Putin Hails 'Unprecedented Relationship' with China's Xi Jinping. Xi and Russian President Vladimir Putin praised their countries' ties during talks at the Kremlin, as Russia and China seek to shore up cooperation amid shared tensions with the United States.' President Putin is for me a best friend.' Xi told journalists.' (11)

Conclusion:

For those hood-winked that Putin is a virtuous Christian, then this falsehood is annulled in evidence above. His pretence of apparent 'Christianity' is faked to deceive the West, concomitant with the strategy to denigrate the West as evil and exalt the East in virtue, in self-justification for their pending attack on the West. Note there was no mention of God in his 2018 Presidential address. Only a display of hard military power for his communist audience, who in some cases exhibited frissons of exultation as Putin unveiled the new power of the Soviet fist.

This is their first measure of national pride!

The 'East good/West bad' propaganda strategy has been revealed by Putin's close confidante Alexander Dugin (12) of whom we should note, was condemned by the Russian Orthodox Church as a disciple of the satanist Aleister Crowley (12a) It has also been admitted by Margarita Simonyan, who is the the head of the media propaganda organ RT (13).

The truth of Putin is exposed by Sacred Scripture:

"For such false apostles are deceitful workmen, transforming themselves into the apostles of Christ. And no wonder: for Satan himself transformeth himself into an angel of light. Therefore it is no great thing if his ministers be transformed as the ministers of justice, whose end shall be according to their works." (2 Corinthians 11:13-15)
Indeed, Putin as chief administrator of the 'Perestroika Deception', stands ready to destroy 5000 years of Western civilisation and take billions of lives. He is an anti-christ of the first grade and an acolyte of the communist 'saint' Lenin. As the Hungarian communist Laszlo Lakatos-Kellner (d. 1944) wrote in a poem; (14) THE NEW CHRIST HAS ARRIVED, LENIN! LENIN! Gorbachev stated in a speech on the 15th November 1989 – SIX DAYS AFTER THE FALL OF THE BERLIN WALL; (15)

"We are for Lenin who is alive!" In order to achieve this, the Communist Party of the Soviet Union returns to the origins and principles of the Bolshevik Revolution, to the Leninist ideas about the construction of a new society.
Well, the new society they intend is technocratic, communist enslavement for the entire world!

As Anatoliy Golitsyn said: 'In the new worldwide communist federation the present different brands of communism would disappear, to be replaced by a uniform, rigorous brand of Leninism.'

So help us God!

In part 2, we will examine the East's strategy of conquest for the West. Again, please distribute this information and in personal sacrifice of your reputation to a blinded world, if needs be. God gives much grace for such sacrifice (Mark 3:21).

WW3 – the final act in a long-range synagogue script to achieve world Jewish domination

In part I, we evidenced the East's preparation of Western military conquest in symmetry of long-range communist deception strategy or the Perestroika Deception, as revealed by Soviet defector Mr. Anatoliy Golitsyn. Now in Part II, an examination the East's strategy for victory in recognition of the Perestroika Deception as being a

component of a global script of the synagogue who control both East and West. WW3 is their final act to achieve world Jewish domination under a one world government. This is a long article, but it is highly revealing and it is necessary that we mark the complete plan in one place.

As the synagogue have declared:

"We know and secretly control all that will be. And no one can stop us. We will have in our hands only the strings attached to the hands of the president. And we'll pull these strings in such a way as it is necessary to the implementation of our grandiose plan of conquering all the tribes and kingdoms, their subordination to our superior nation, chosen by God of Israel."—Rabbi Mendel Schneerson. (1)

But we must recognise the operation of the 'god' of the Jews, in Christ's address to them: John 8:44 – 'You are of your father the devil and the desires of your father you will do.' Hence, satan is the first operative cause of the plan: Matthew 13:25 & 28; Apocalypse 12:9 – 'But while men were asleep....an enemy hath done this....who is called the devil and Satan, who seduceth the whole world.'

THE SYNAGOGUE CONTROLS BOTH EAST AND WEST

The synagogue hold the reigns of both East and West and the Perestroika Deception is a subscript, of a long-range global plan of the synagogue, to bring about final Jewish domination of the entire earth via communism. As said Rabbi Harry Waton, 1939:

"Since the Jews are the highest and most cultured people on earth, the Jews have a right to subordinate to themselves the rest of mankind and to be the masters over the whole earth. Judaism is communism, internationalism, the universal brotherhood of man, the emancipation of the working class and the human society. It is with these spiritual weapons that the Jews will conquer the world and the human race." (2)

The Kahal is the political executive body of the Jewish theocratic state controlling the world. It's existence has been identified by several sources as recorded in the book 'The Hidden Empire' written in 1938, which also outlines its structure. (3) In brief summary, the Kahal officials divide the world into two hemispheres, the Eastern and the Western. At the head of each hemisphere is placed a sponsor. The sponsors are reputed to be accountable only to 'Aka'dham', the unknown and uncrowned Prince of Jewry throughout the earth, whose identity is kept a guarded secret. The Kahal is also mentioned in the 17th Protocol of the Learned Elders of Zion. (4)

Indicatively of global Jewish control, in 1890, the Jesuits published a masterpiece, which illumined as follows:

"But the crowning achievement, which, with the help of the Masonic sects, has increased modern Jewish power a hundredfold, is the World Jewish Alliance, founded in Paris (in 1860) by Adolphe Crémieux, and then fanned out all over the world, conferring on various groups of Jews, everywhere, the vigour of the entire body of Israel. Its founder was therefore correct in describing it as 'the most beautiful and fertile institution that has ever been created in modern times and an instrument of domination so powerful that it governs the world.'" (5)

Control is exercised through compartmentalised layers of secrecy, so the ultimate conspiracy and its progenitors is largely cloaked. I provide some indicative proof of this control.

In the USA: Harold Rosenthal, a Jew and administrative assistant to Senator Jacob Javits said in an interview with Walter White in 1976, that 'no one in the last three decades has achieved any political power without Jewish approval. Americans have not had a presidential choice since 1932 when (the Jew) Franklin Roosevelt was our man; every president since Roosevelt has been our man.' (6)

Admiral Thomas Moorer, Head of the Joint Chiefs of Staff 1983: 'I've never seen a president – I don't care who he is – stand up to them (the Israelis). It just boggles your mind. They always get what they want. The Israelis know what's going on all the time. I got to the point where I wasn't writing anything down. If the American people understood what grip those people have on our government, they would rise up in arms. Our citizens don't have any idea what goes on.'

In the United Kingdom: Admiral Sir Barry Domvile (d. 1971 RIP), former director of intelligence services of the British navy in his memoirs 'From Admiral to Cabin Boy': "From that time onwards, I had a strong suspicion that there was some mysterious power at work behind the scenes controlling the actions of the figures visibly taking part in the Government of the country. I had not the least idea whence this power emanated, nor could I gauge the strength of its influence. I was in far too humble a position to make such lofty discoveries. Still the feeling persisted. We always vaguely referred to this hidden control amongst ourselves as 'the Treasury'. This mysterious power I christened 'Judmas', because, as I discovered at a much later date, its source is the Judeo-Masonic combination, which has wielded such a baneful influence in world history for many centuries.' (8)

In France: Jewish journalist Rene Groos, 'The New Mercury' June, 1922: "There is a Jewish conspiracy against all Nations, but first of all against France, and the principle of order which she represents in the world. This conspiracy occupies almost everywhere the avenues of power; in France it is at present the actual reigning power. The Universal Jewish Conspiracy (this double assault of Jewish Revolution and Jewish Finance) ... must be disrupted or France will perish as did Russia." (9)

In the Soviet Union: Harold Rosenthal also revealed the following to Walter White in 1976:

WW: 'To your knowledge, are the Jews in Russia really persecuted or are they given any kind of freedom? To which he said: HR: 'Most Jews throughout the world—I'd say more than 90% know what is really happening to our people. We have communication unequalled anywhere. To answer your question—in Russia, there are two distinct governments—one visible and the other invisible. The visible is made up of different nationalities—whereas the invisible is composed of all Jews. The powerful Soviet secret police (KGB) takes its orders from the invisible government. There are about six to seven million Communists in Soviet Russia. 50% are Jews and about 50% gentile—but the gentiles are not trusted. The Communist Jews are united and trust each other—while the others spy on one another. About every five or six years the secret Jewish Board calls for the purge of the Party and many are liquidated.'

When asked, why? He said: "Because they begin to understand too much of the Jewish secret government. Russian Communists have a Secret Group Order which consists of Jews only. They rule over everything pertaining to the visible government. It was this powerful organization that was responsible for the secret removal of the centre of Communism to Tel Aviv from where all instructions now originate." (10)

This harmonises with the observations of Mr Golitsyn, "The elite are the ultimate authority in Russia: it provides the collective leadership of which the President is a member and which decides, among other things, how long he should serve as President. The elite has to have some mechanism at its disposal through which such decisions can be reached and through which controlled political events can be

coordinated. It is essential to the success of the strategy that this mechanism should be well concealed from the West. I lack the facilities to study how it might be operating.” (11)

In China: Mao Zedong was installed through the Skull and Bones Secret Society operating out of Yale University. In 1903, Yale Divinity School established a number of schools and hospitals throughout China that were collectively known as 'Yale in China'. Mao was hired as the editor of the Yale-in-China journal and subsequently, he set up a 'culture bookstore' in 1920, the buildings of which belonged to the Yale group. In 2012, writing in the Jewish magazine 'Forward', Laura Goldman wrote '85 to 90% of the foreigners helping the Chinese at the time of the Communist takeover were Jewish. This included the daughter of the founder of the brokerage firm Goldman Sachs, who left the comfort of her Park Avenue home to assist the Chinese.' (12)

Jew Henry Kissinger and crypto-Jew David Rockefeller with Chinese President Jiang Zemin (in office, 1993-2003) and current President Xi.

And Mr Louis Marschalko in his 1958 book 'The World Conquerors' comprehensively lists the corps of Jews operating in key positions within the Soviet and US governments during WW2 and thereafter. (13)

In the subtle wisdom of Sacred Scripture, this modus operandi of the synagogue of operating behind a gentile front and as a blinding power of truth and morality, is denoted in the person of the Jew Elymas who St Paul met in accompaniment of a proconsul (a high official of the Roman state): Acts 13:6-12, "And when they had gone through the whole island, as far as Paphos, they found a certain man, a magician (kabbalah), a false prophet, a Jew, whose name was Bar-jesu: Who was with the proconsul Sergius Paulus, a prudent man. He sending for Barnabas and Saul, desired to hear the word of God. But Elymas the magician (for so his name is interpreted) withstood them, seeking to turn away the proconsul from the faith. Then Saul, otherwise Paul, filled with the Holy Ghost, looking upon him, Said: O full of all guile, and of all deceit, child of the devil, enemy of all justice, thou ceasest not to pervert the

right ways of the Lord.... And now behold, the hand of the Lord is upon thee, and thou shalt be blind, not seeing the sun for a time. And immediately there fell a mist and darkness upon him, and going about, he sought some one to lead him by the hand. Then the proconsul, when he had seen what was done, believed, admiring at the doctrine of the Lord."

This mode of operation is described in protocol 10 of the Protocols of Zion, in reference to their arranging for the election of Presidents who are 'a puppet in our hands.' (14) We also have confessed penetration of Christian society by crypto-Jews.

Hayim Bialik – the Israeli 'National Poet' and Zionist, stated in a speech given at the Hebrew University of Jerusalem, May 11, 1933.

"Judaism, which was destroyed politically (following the destruction of the Temple in 70 AD), went to the big world and adapted its goods to its wanderings as an army going to war, a 'moveable state'." The Jews were forced to smuggle their goods from border to border, so they chose abstract goods, easy to smuggle, which allowed them, despite the ghettos and restrictions, to penetrate everywhere. Such penetration was not without the deliberate connivance of the Jews in the form of assistance provided in a thousand ways, means and disguises. It has been affected in great measure by crypto-Jews, who permeated Christianity and spoke through the mouth of Christianity.

By these means, by the Jewish will and by the power of their Jewish blood and by instinct of 'reprisal', it is they who, in principle, are the creators of the Renaissance (reason displaces faith in Christ), liberalism, democracy, socialism and communism. All this was done mainly by unknown anonymous Jews, secret Jews, crypto-Jews who mingled with the Gentiles and fed great thinkers or by the influence of the Jews who, in the great crises of freedom, stood behind the scenes or through Jewish teachers and scholars of the Middle Ages. They were disciples of Jewish teachers who led Protestant movements.'

As for Freemasonry, it is the servile gentile subsidiary of the synagogue, as documented in the Protocols of Zion (4 & 15) and also in the aforementioned Jesuit work (Part II, section VIII 'Whence Freemasonry?') Indeed a Bro. James Anderson of the Grand Lodge of England, published in the masonic Constitutions of 1738: "A Mason is obliged by his Tenure to observe the Moral Law, as a true Noachida."

They labour in plan of the eradication of the entire Christian order which they consider an enemy of human freedom and a 'New Order of the Ages' (as embossed on the US \$1 bill) as manifesting human will in subversion of the will of God. Liberalism, socialism, communism as invented by the synagogue are their tools. But they are deceived in that they are gentile instruments to world domination of the synagogue and they are building their own prisons. As it says in Protocols 4:

"Gentile masonry blindly serves as a screen for us and our objects, but the plan of

action of our force, even its very abiding-place, remains for the whole people an unknown mystery."

WORLD WARS 1 & 2 WERE PLANNED AND EXECUTED BY THE SYNAGOGUE.

It was in coordination of the synagogue nexus in West and East or as Admiral Barry Domville said above the 'mysterious power at work behind the scenes controlling the actions of the figures visibly taking part in the Government of the country', that manufactured WW2. At the World Jewish Congress in NYC, the then President of the organisation Dr. Chaim Weizmann, stated on the 3rd December 1942:

"We are not denying and are not afraid to confess that this war is our war and that it is waged for the liberation of Jewry. Stronger than all fronts together is our front, that of Jewry. We are not only giving this war our financial support on which the entire war production is based, we are not only providing our full propaganda power which is the moral energy that keeps this war going." (15)

WW1 had been predicted and to its intended effect by Max Nordua, who was co-founder of the World Zionist Organization together with Theodor Herzl. As documented by Litman Rosenthal in 'The American Jewish News' September 19, 1919, Nordua said in a speech in 1903: "Let me tell you the following words as if I were showing you the rungs of a ladder leading upward and upward: Herzl, The Zionist Congress, the English Uganda proposition, the future world war, the peace conference where with the help of England a free and Jewish Palestine will be created. (16)

As Jew converted to Catholicism Mr Benjamin Freedman testifies, the synagogue managed as a result of WW1 to obtain the Balfour Declaration, in bribe of bringing the US under President Woodrow Wilson into the war, to bring victory to the Allies. (17) However, they did not attain a sovereign Israeli State. But, in plan of turning the world communist, the synagogue were successful in using the cover of WW1 to manufacture the revolution in Russia in 1917, which as now well documented was fomented by Jews. (18)

To finally obtain a sovereign Israeli state, WW2 was planned with the hoax of the holocaust a centrepiece narrative (19), in order to generate the emotional political support for its establishment, in heist of the territory from the Palestinians. Communism was to be expanded to Eastern Europe.

In script, the Jewish puppet Hitler (20) was established and the narrative of the horror of Nazi territorial expansion plan of Generalplan Ost was invented as a decoy for the Eastern European land-mass that was to be 'liberated' from the Nazis by the Soviet Union, before communism was imposed them. (21) (Perhaps to give revelation of the hitherto secret Generalplan Ost was the reason Rudolph Hess flew to Britain in

'confession', so it could be used in justification of the 'liberation' strategy?)

In all, the synagogue were overwhelmingly successful. As Mr Douglas Reed said in his book *The Controversy of Zion*: "It was only these three movements – Communism, Zionism, and World Government, that profited from the suffering and destruction of the Second World War. The Western Powers helped the World Revolution to entrench itself deep in Europe. General Eisenhower ordered the Western generals to stop at a line Vienna-Berlin. All of the Eastern European countries, the 'liberation' of which had supposedly been what the whole war was all about, were sacrificed to the revolutionary terror at the Yalta-conference." (22)

Another key objective was to subdue to German nation, so it could never rise as in opposition to Jewish power. As Valadimir Jabotinsky, founder in Israel of the Zionist terrorist group Irgun Zvai Leumi stated in January, 1934:

"Germany is striving to become once again a great nation, and to recover her lost territories as well as her colonies. But our Jewish interests call for the complete destruction of Germany."

The final aim was the destruction of Eastern Christianity – the well-spring of civilisation.

Since the end of WW2, fundamental geopolitics has been preparatory for a final WW3, designed to give the synagogue complete world domination. The Perestroika Deception is the key element in achieving this. Soviet analyst Christopher Story (RIP) records that the West and the Soviet Union agreed in 1948 that Eastern Germany was to be occupied for 40 years. (I cannot obtain the source for this info, but we will take it is accurate in borrow of his expertise.) (23) Deductively, the fundamental reason for the 40 year period was that communism could cross-generationally embed itself into the deepest fibres of the Eastern bloc and China, with control structures matured and expertise on how to manage iron despotism over a vast area acquired. With East and West in enmity, the hideous weapons necessary for the final cataclysm of WW3 were justified in production and the lines of combat defined.

Mr Story states that the then US Secretary of State James Burns was the prime agent of this agreement on behalf of the West. We note that Mr Burns was an associate of super-Jew Bernard Baruch and also a member of the super-elite freemasonic organisation the Society of Cincinnati. (24) Bernard Baruch took control over the atomic bomb and its secret of production away from American nation and the Army, through an Act signed by President's Truman which established the U.S. Atomic Energy Commission. The synagogue gained effective control of the nuclear technology and its dispersal throughout the world. (25)

During the period between WW2 and the Perestroika Deception, more testimony to prove that the synagogue continued to control both East and West; Dr. Lawrence Dunegan regarding a lecture he attended in 1969 at a meeting of the Pittsburgh

Paediatric Society. The lecturer was Dr Richard Day who was described as an 'insider' of the New World Order: "Most people don't understand how governments operate and even people in high positions in governments, including our own, don't really understand how and where decisions are made. He indicated that there is much more cooperation between East and West than most people realise." (26)

"In the mid-seventies when the SALT II (Strategic Arms Limitation Treaty) was being discussed by the U.S. Senate, the author of this article (Charlotte Iserbyt) arranged for a Soviet defector by the name of Igor Glagolev to come to Maine to participate in a debate with Secretary of Defense Paul Warnke. This debate was arranged by Maine's Chamber of Commerce. Glagolev did a superb job presenting reasons why the United States should not sign onto this Treaty. At dinner the same evening Glagolev informed me that prior to his defection, when he held a very high position in the Kremlin, he sat in on meetings at which David Rockefeller Sr. and Henry Kissinger were often present." (27)

PERESTROIKA DECEPTION ENACTED

"I don't agree that the Cold War is back. It never ended." – Andrei Lugovoi, Deputy of the Russian state Duma in 2000.

"Who told you that the Cold War was ever over? It transforms, it is like a virus." – Sergei Tretyakov, KGB/FSB defector (in 2000) on FOX News in 2009.

The Berlin wall came down in 1989 following the aforementioned 40 years period and communism apparently dissolved in ruse of the Perestroika Deception. Mr Golitsyn, who defected in 1961, describes the objectives and operation of the deception: "The Cold War may be 'over' for the West. For the Soviets it has entered a new, active and promising phase. Perestroika is the result of 30 years of preparation and strategy in the restructuring of the whole world. In consequence, the communist strategists are now poised to enter into the final, offensive phase of the long-range policy, entailing a joint struggle for the complete triumph of communism. The essence of the special manoeuvre in the present grand strategy for Communism lies, internally, in the creation and use of controlled 'political opposition' to effect a transition to new 'democratic', 'non-Communist', 'nationalist' power structures which remain in reality Communist-controlled. Internationally, the essence of the manoeuvre lies in the use of the political potential of these new power structures to develop contacts and promote solidarity with the Western democracies as a means towards the achievement of world Communist victory through the convergence of the Communist and non-Communist systems." (28) It incorporated a fake Sino-Soviet split (scissors strategy).

"Its overall objective can be defined briefly as the exploitation of the scissors strategy to hasten the achievement of long-range communist goals. Duality in Sino-Soviet polemics is used to mask the nature of the goals and the degree of coordination in the communist effort to achieve them. The feigned disunity of the communist world

promotes real disunity in the non-communist world. Each blade of the communist pair of scissors makes the other more effective. The militancy of one nation helps the activist detente diplomacy of the other. Mutual charges of hegemonism help to create the right climate for one or the other to negotiate agreements with the West. False alignments, formed with third parties by each side against the other, make it easier to achieve specific communist goals, such as the acquisition of advanced technology or the negotiation of arms control agreements or communist penetration of the Arab and African states. In Western eyes the military, political, economic, and ideological threat from world communism appears diminished. In consequence Western determination to resist the advance of communism is undermined. At a later stage the communist strategists are left with the option of terminating the split and adopting the strategy of one clenched fist.” (29)

We can adduce that German unification became the door for communism to infect and control Western Europe towards the convergence with the East, with Germany's prime control of the EU. This process has greatly accelerated since 2005 with Angela Merkel, a Soviet agent, as Chancellor of Germany. (30)

Yet, employing common-sense analysis, the success of the Perestroika Deception can only have been possible because the synagogue in the West have confounded military/intelligence structures and the media to its operation. Mr Golitsyn's painstakingly documented revelations and his predictions of which 94% came true, have never gained any substantive traction in the West. When first unveiled, his revelations were denounced wholesale within (Jewish controlled) academia and media. He wrote himself 'I was appalled that 'perestroika' was embraced and supported by the United States without any serious debate on the subject.' And the deception was also affirmed by subsequent defectors such as Jan Sejna, Vladimir Rezun and Col. Stanislav Lunev.

Mr Golitsyn's US interface was Head of CIA counter-intelligence James Angleton, who apparently entertained the Perestroika Deception. Mr Golitsyn even praised Angleton in his book of the same name. (31) But it is likely that Mr Golitsyn was deceived as to Angleton's sincerity. Indeed, the late Jewish conspiracy analyst Michael Collins Piper provides evidence that Angleton was a Zionist and pivotal in the cover-up of JFK assassination. (32) Also a monument was erected to Angleton's honour in Jerusalem, after his death in 1987. (33) And in his memoir Meir Amit, Mossad chief in the 1960's, said of Angleton 'He was an extraordinary asset for us. He was the biggest Zionist of them all.' The Jewish fingerprint is there.

And when President Nixon's administration embarked on their Chinese 'detente' policy in 1972 in apparent enticement of the fake Sino-Soviet split, his national security advisor was none other than Henry Kissinger.

The US engagement with China advanced to 'most favoured nation' trading status (MFN) in 1980. This led to a massive commercial and military build-up in the country

and the transfer from the US and the West of the global manufacturing base. Indeed all of the former Soviet states, including Russia, were granted MFN status in 1996.

According to the script of the Perestroika Deception, this was a successful dupe of the West. But in fact it was cooperated with by the Western synagogue operating through government, to raise up China in the same manner as the synagogue supported the Bolsheviks in 1917, raised Hitler and supported the Soviet Union as revealed by Professor Anthony Sutton. (34) Or are we to believe that other than by conspiracy, the US would convert a communist China into a military superpower in threat to itself?

Now with China and Russia allied again, we confront the Eastern 'one-clenched fist', as outlined in Part I. But, we must recognise that the Perestroika Deception was the Eastern narrative according to a globally orchestrated plan by the synagogue.

Hence, we see gratuitous cooperation of the West with the East by successive US Presidents with the Perestroika Deception and even before. Indicative: Mr Norman Dodd, a Yale Graduate and former investment banker was chosen to be the research director for the Reece Committee of the U.S. House of Representatives in 1953 to investigate the status of tax-exempt foundations. President Rowan Gaither of the Ford Foundation told him, "Mr. Dodd, all of us here at the policy making level of the foundation have at one time or another served in the OSS (Office of Strategic Services, CIA forerunner) or the European Economic Administration, operating under directives from the White House. We operate under those same directives.... The substance under which we operate is that we shall use our grant making power to so alter life in the United States that we can be comfortably merged with the Soviet Union." (35)

Charlotte Iserbyt – Senior Policy Advisor Education Department under President Reagan.

'Presidents Reagan and Gorbachev signed education agreements in 1985 at the same time the Carnegie Corporation of New York signed even more extensive agreements with the Soviet Academy of Science. These agreements accelerated the merger of the two education systems, changing our education system from one focused on academics and individual upward mobility to one focused on quotas for certain jobs requiring work force training (performance/outcomes- based) for a planned international socialist economy.' (36)

Journalist A. M. Rosenthal (Jew), in The New York Times, January 1991.

"But it became clear as time went on that in Mr (GHW) Bush's mind the New World Order was founded on a convergence of goals and interests between the U.S. and the Soviet Union, so strong and permanent that they would work as a team through the U.N. Security Council." (37)

Also policy to ensure purposeful Western defeat in WW3.

President Bill Clinton. "In 1997, President Bill Clinton issued Presidential decision directive (PDD) 60. This directive radically changed US strategic nuclear policy from 'launch on warning' to 'retaliate after absorbing a first strike'.

President Clinton's justification for this change was based on the false premise that in the so-called Post-Cold War Era', Russia and China are no longer nuclear threats." (38)

And we should note this of Clinton as published in the US 'Spotlight' magazine. 'Rabbi Cohen is recorded as saying. . . . Fortunately for us at this time, we have ensconced in the White House the greatest friend that the 'Jews' have ever had. President Bill Clinton has been of great benefit to us Jews. . . When the goyim of the United States discover his treason, they will probably dig up his corpse and chop it into pieces anyway. Except for Woodrow Wilson (Federal Reserve Act 1913 & sending the US into WW1 in exchange for the Britain signing the Balfour declaration to give Israel to the Zionists), no other US President has helped the Jews more than Bill Clinton.'

(Transcripts from tape labeled Yesivah Lecture #5 by Rabbi Cohen and translated from his Yiddish lecture tapes by David Goldstein.)

Regarding Obama, a retired Army Major General Paul Valley said: "The White House protects their own. That's why they stalled on the investigation into 'Fast and Furious', Benghazi and Obamacare. He's (Obama) intentionally weakening and gutting our military, Pentagon and reducing us as a superpower, and anyone in the ranks who disagrees or speaks out is being purged."

And retired Major General Patrick Brady: "There is no doubt he (Obama) is intent on emasculating the military and will fire anyone who disagrees with him." (39)

George Bush Jr of course oversaw the false flag of 9/11, and provided the opportunity to bring under firm synagogue control countries such as Libya and Iraq in the name of 'freedom', which were not primed for world Jewish government. Hence Otto Kahn – Jewish Banker Kuhn-Loeb:

"We (Jews) are a League of Nations which contains the elements of all others. It is the fact which qualifies us to unite the nations around us. We are accused of being the agent which dissolves them. It is only at points which are impervious to that synthesis of national elements, of which ours is both the example and the means that we act as dissolvent." (40)

Hence, the Perestroika Deception is an operation of an Eastern script, which has been corresponded to in implementation of a Western script, with both being the components of a compartmentalised global master-script devised by the synagogue.

WW3 SCRIPT

As Lenin stated his 'collected works': "The World War (1914-1918) will see the establishment of Communism in Russia; a second world war will extend its control over Europe and a third world war will be necessary to make it worldwide."

Since the fall of the Berlin wall, the synagogues have operated two distinct, phased narratives. For a decade after the 'collapse' of communism, we heard from both East and West declarations regarding a 'New World Order', which would apparently be a world government based on the mutual agreement of nations. This narrative provided rapidly for the development of the global convergence of 'communist and non-communist systems' as described by Mr Golitsyn above.

However, since the presidency of Putin in 1999, the narrative changed markedly. The East have been progressively presented as virtuous global citizens with Putin as the figurehead – apparently a virtuous 'christian' (but his Christianity is proven to be fake – he and Medvedev are crypto-Jews) (41) The West in contrast has been imaged as imperialistic, despotic and immoral.

And we should mark here to further unmask Putin, the circumstances of the transition of the Russian presidency in 1999. On 31 December 1999, Yeltsin unexpectedly resigned and, according to the Constitution of Russia, Putin became Acting President of the Russian Federation.

The first Presidential Decree that Putin signed, on 31 December 1999, was titled 'On guarantees for former president of the Russian Federation and members of his family.' This ensured that "corruption charges against the outgoing President and his relatives" would not be pursued. This was most notably targeted at the Mabetex bribery case in which Yeltsin's family members were involved. On 30 August 2000, a criminal investigation was dropped in which Putin himself was one of the suspects as a member of the Saint Petersburg city government. On 30 December 2000, yet another case against the prosecutor general was dropped for 'lack of evidence', in spite of thousands of documents passed by Swiss prosecution. On 12 February 2001, Putin signed a similar federal law which replaced the decree of 1999. A case regarding Putin's alleged corruption in metal exports from 1992 was brought back by Marina Salys, but she was silenced and forced to leave Saint Petersburg.' (42)

Fundamental to the change of narrative was to sully Western character. The majority of peoples in Western nations self-identify with liberty, morality and nationalism – the West is the 'free-world'. Hence, to gain and maintain consent to world government from

Westerners is a difficult task. Therefore, whilst maintaining hidden communist control of the East through the Perestroika Deception, from the outset of Putin's presidency the synagogue enacted a script exalting the East in perception of virtue whilst converting the West into the image of a 'new Soviet Union' and a military aggressor. This strategy is summed up by Putin confidante Alexander Dugin in his article 'Principles and strategy of coming war': "It is obvious that you can only wage war effectively with an external enemy if the society is quite consolidated and mobilized internally. It is desirable to be mentally prepared for the war. To do this, people must understand who is the enemy and who is not, and, most importantly, why this is the case and not so otherwise. You mustn't demonize the enemy at the very beginning of the war. The image of the enemy must be formed in advance and deliberately.... Therefore, the first task to gain victory would be real fully-fledged company to create the entirely negative, monstrous, satanic image of the United States and the West in general. Therefore, the West is a place where the devil resides. It is the centre of the global capitalist tentacles. It is the matrix of rotting cultural perversion and a vice grip of falsehood and cynicism, violence and hypocrisy. Russia already does this..."

Dugin identifies the enemy to be defeated as the 'manic satanic elite/globalists' who control the West to the detriment of the citizenry. This would be the Western equivalent of the 'demised' Soviet politburo:

"Russia should be actively involved in the struggle for influence on the American society, strengthening the explanation of the Russian spiritual position in the war, showing that Russians and Americans have a common enemy: a manic satanic elite that have usurped power and are leading the whole of humanity, including the Americans, towards the inevitable catastrophe. The elite's results are evident: the whole Middle East is already covered in blood, they are not able any more to establish any order, the globalist elite (the CFR, the neocons, the representatives of the international financial oligarchy of Wall Street) implants everywhere only chaos, devastation, death and pain. The destruction of such a cancer on humanity is a matter for the entire world, including the Americans, who are not only its instruments but also victims." (43)

And specifically regarding Europe, Dugin says elsewhere: "Russia must save Europe from the liberal elite that destroys it." (44)

Putin's Soviet strategist Aleksandr Dugin, a national Bolshevik and Crowleyite.

Dugin, it should be noted was the co-founder of the National Bolshevik Party in Russia in 1996. He has been condemned by the Russian Orthodox Church as a 'disciple of the satanist Aleister Crowley, so we must not be deceived by his apparent virtue. Here he is at a Bolshevik party meeting in 1996. In example of the synagogue operating this script in the West, General Wesley Clark's public testimony in 2006 that the US 'neocons' were going to attack 7 Middle-Eastern/African countries in 5 years is well known. (45) In 2007, he also spoke against 'New York money people' pushing for war with Iran. Clark, who is a Jew (his father's surname was Kanne), also said in 1999 regarding the Kosovo War 'There is no place in modern Europe for ethnically pure states. That's a 19th-century idea and we are trying to transition it into the 21st century, and we are going to do it with multi-ethnic states'. (46) Clark is a Western agent of the script and also Rabbi Schneerson's plan of 'secret active work on the structuring of the population according to the system necessary to us.' (47) in prime target of the white race, who the synagogue consider as the biggest threat to their dominion.

The script is being peddled to culmination in a WW3 of 'liberation' of a 'Sovietised' West by the East. As with the 'liberation' from Nazism in WW2 by the Soviet Union, the synagogue are giving us another liberation script in mask of imposing despotic control, this time on the entire West. Hence, given in mask of the Perestroika Deception, communism was never dissolved, this will in eventual synthesis give the synagogue control of the entire world. In fact communism was not only not dissolved, but in hidden form it has been strategically extended in influence through Russian and Chinese multi-locking alliances such as the Shanghai Cooperation Organisation, the BRICS nations (linking to the Union of S. American nations), the China-South Asia Cooperation Forum, the Forum on China–Africa Cooperation and the Chinese New Belt Road initiatives. In influence in Central American, El Salvador, Costa Rica, Panama and the Dominican Republic even officially recognise Taiwan as part of China. Hence the West is virtually surrounded and all this to plan. As Stalin said in 1939: “The withering away of the state, the precondition for the classless society, could not be entertained as a possibility until the encirclement of socialism by capitalism had been changed to the encirclement of capitalism by socialism. That is to say, until those conditions had been established which would assure world-wide Soviet domination.”

In his books, Mr Golitsyn does not specify a WW3, but a strategy of nuclear blackmail by the East that will force the West to accept a communist federation. But we must surmise this was because in compartmentalisation of the strategy, at his operational level the plan of WW3 was kept secret. This because in cooperation of the Perestroika Deception even some hardened communist operators might balk at the death and

destruction that could be envisaged.

However Soviet military defector Major General Jan Sejna who defected in 1968 reveals WW3 and the 'West to be blamed' narrative have been long planned:

"Portions of the Soviet plans for seizing control of the United States following a nuclear strike were described by the head of the Administration for Special Propaganda to Sejna just prior to Sejna's defection. The description provides an interesting insight into the possible nature of Soviet plans and, in a certain regard, their efforts to clothe mechanisms in indigenous or nationalistic trappings (ie. as Dugin portrays, that the West must be 'saved' by the East from the 'manic satanic elite'). In 1967 the Soviets believed that, in addition to strikes against nuclear and critical military targets, roughly 110 nuclear strikes would be adequate to cripple the United States. In the attack, Europe would not be destroyed. Rather, Moscow would launch a propaganda campaign to tell the Europeans that the Soviets had saved their lives. The United States would be blamed for starting the war and an international committee for the neutrality of the United States would be formed. Pressure would be produced from the left and from Europe and elsewhere for the United States to give up."

Also former GRU Colonel Stanislav Lunev who defected from Russia in 1992 (ie. after the Perestroika Deception) stated that the Russian Generals were still committed to fighting and winning a future nuclear war against America. 'The nuclear war plan is still on. But there would be changes.

No longer would Russian troops be responsible for a follow-up invasion of the lower 48 states (U.S. mainland). Russian forces would be responsible for occupying 'Alaska and parts of Canada. The Chinese would occupy the lower 48 states. In addition, certain Third World countries would be given 'looting rights' (hence the open border policy)' (48)

And again the aforementioned Petr Cibulka in 2005: "I am convinced that Russian military intelligence (GRU) is directing terrorist activities against the United States and the West. This is Moscow's main option for defeating the West. Therefore the GRU is supplying the Islamic terrorists with Russian nuclear weapons so the planned attack against the United States by Russia, China and their allies can follow." (49)

Soviet analyst J R Nyquist describes expertly in reference (50), how Russia special forces will be used in cover of Arab 'terrorists' to weaken and disorientate the West just prior to the main attack.

In 2011, Kissinger telegraphed the 'US/Western aggressor' narrative when he said of China 'they will use military force if feel themselves threatened.' And in brush of an innocent image in future cause of WW3, he continues 'it's hard for me to visualise a Chinese military strategy designed to back up a world government.' (51)

In all, the narrative was summed up by Dmitri Medvedev in 2007 -'we must be prepared to extend our influence and save the world.' (52)

PRE-WAR STRATEGY

Prior to the WW3, there are three key actions designed by the synagogue to weaken and Sovietize the West.

1) A split of the USA and Europe and the dissolution of NATO/establishment of a European military. Alexander Dugin's speech in China in 2018: "We could describe some features of this multipolarity. First of all, the West should be split. The United States of America are one pole of civilization, and there's Europe that is not the same. They have a lot in common, but there are a lot of things that divide USA and Europe, more and more. Now it's time to give a form to these differences." (53)

Again, Petr Cibulka: "Our paper debunked many lies widely believed about the November revolution of 1989 and the fact it was not an anti-communist revolution at all. It was a privatization coup organized by the reform wing of the Russian KGB. It was accomplished in order to install the self-invited 'new administration' turning them into the country's rulers and lawful owners. And that was achieved in full measure by the communists, the STB and KGB structures under the leadership of Vaclav Havel. As a result there was a fraudulent privatization of state wealth that in fact ended up in the hands of communist and STB/KGB structures only."

"Vaclav Havel told them (the US Congress) then: 'If you want to help Czechoslovakia then you must help the Soviet Union!' He was also saying at the time: 'The liquidation of the Warsaw Pact should be followed by the liquidation of NATO!'"

"They're (the Soviets) realizing that Western Europe is already under their rule indirectly

through communist agents of influence – corrupt and compromised politicians. Western Europe is not a threat to Moscow. Therefore to the communists America is still the #1 enemy and an obstacle on their way to conquer the World. As I have stated before, Russia is determined to fight America through surrogates. On the one hand, Russia is trying to provoke a split between America and Europe. On the other hand, Russia is trying to strengthen the most fanatical anti-American regimes in the world by supplying them with weapons of mass destruction.” (54)

And in Western cooperation, the verified synagogue puppet and freemason Emmanuel Macron: “We have to protect ourselves with respect to China, Russia and even the United States of America.” (55)

The split will clearly weaken Western military force and although WW3 will be secretly directed by the synagogue in same manner as admitted by Chaim Weizmann above of WW2, it will demoralise the Western military who will be fighting unaware they are performing to a synagogue script. The split is in process:

2) Civil disturbances/war/revolution.

The tinder for this will be a deliberate economic collapse in method of the Protocols of Zion: “This hatred will be still further magnified by the effects of an economic crisis, which will stop dealings on the exchanges and bring industry to a standstill. We shall create by all the secret subterranean methods open to us and with the aid of gold, which is all in our hands, a universal economic crisis whereby we shall throw upon the streets whole mobs of workers simultaneously in all the countries of Europe. These mobs will rush delightedly to shed the blood of those whom, in the simplicity of their ignorance, they have envied from their cradles, and whose property they will then be able to loot. Ours they will not touch, because the moment of attack will be known to us and we shall take measures to protect our own.” (56)

This is the reason why world debt has been exploded by the synagogue to three times global GDP of \$88 trillion (57).

And the notional value of outstanding (over-the-counter) derivatives contracts is \$544 trillion. (58) The latter has been set as the gunpowder for financial collapse. As Warren Buffett recognised: “The derivatives genie is now well out of the bottle, and these instruments will almost certainly multiply in variety and number until some event makes their toxicity clear. Central banks and governments have so far found no effective way to control, or even monitor, the risks posed by these contracts. In my view, derivatives are financial weapons of mass destruction, carrying dangers that, while now latent, are potentially lethal.... The problem arises when there is a discontinuity in the market for some reason or another. When the markets closed like it was for a few days after 9/11 or in World War I the market was closed for four or five months – anything that disrupts the continuity of the market when you have trillions of dollars of nominal amounts outstanding and no ability to settle up and who knows what happens when

the market reopens.”

Russia and China on the other hand are insulated by their quietly accumulated masses of gold which, in collapse of the financial system and the US\$, they can in pre-plan launch a new currency to displace the dollar and bleed capital from West to East. (59)

Remembering this is a long-range plan, the flames of civil disturbance have been deliberately planted in the West with the pelting of society with vice, most significantly pornography, violence and murder. The youth have been especially targeted for corruption.

In Fyodor Dostoevsky’s book ‘Demons’, the method to produce revolutionaries is described by the nihilist Verkhovensky, in plot to overthrow the government and impose socialism via violent insurrection: “One or two generations of vice are absolutely essential now. Monstrous, disgusting vice which turns man into an abject, cowardly, cruel and selfish wretch – that’s what we want.” (60)

Hence Willi Munzenberg summed up the morally subversive (predominantly Jewish) Frankfurt School’s long-term operation – “We will make the West so corrupt that it stinks.” (61)

This methodology was marked two centuries ago by Pope Pius VIII in his encyclical ‘Traditi Humilitati’ of 1829:

“We want you to know of another secret society organized not so long ago for the corruption of young people who are taught in the gymnasia and the lycea. Its cunning purpose is to engage evil teachers to lead the students along the paths of Baal (demon of impurity) by teaching them un-Christian doctrines. The perpetrators know well that the students’ minds and morals are moulded by the precepts of the teachers. Its influence is already so persuasive that all fear of religion has been lost, all discipline of morals has been abandoned, the sanctity of pure doctrine has been contested and the rights of the sacred and of the civil powers have been trampled upon.” (62)

In his book, Mr Dostoevsky also speaks of how government repression of public dissent, would contribute to the revolutionary fervour. The nihilists expected a revolt and awaited the time where the people would rise to the occasion and give the power structure a reason to repress them. It all began with the silencing of the people. Their free speech and their freedom of the press were taken from them. Eventually there is an uprising of murderous anger, a volcanic eruption of nihilistic violence that consumes the provincial capital in a great fire. In the end, Governor Lembke stands amid the crowd watching his mansion go up in flames. A fireman seeks to douse the fire and a policeman tells the governor, that he is putting the fire out. The governor states in allegory of the uprising:

“Not likely. The fire is in the minds of men and not in the roofs of houses.” (63)

To be sure, the 'yellow vests' in France have been constituted as a vanguard for future revolution.

In his 2nd inauguration address in 2005, George Bush Jr reveals the plan of revolution in reference to Mr Dostoevsky's book: "By our efforts we have lit a fire as well, a fire in the minds of men."

In context of the Founding Fathers of the US, he also makes reference to a 'New Order of the Ages', but the freemasonic 'New Order' is not the one embodied in the liberties in the US constitution. And in his 1st inauguration address in 2001, Bush said 'an angel still rides in the whirlwind and directs this storm'. In speaking of the directing 'angel', he makes a hidden reference to satan in displacement of God, for as it is written in Nahum 1:3 – "The Lord's ways are in a tempest and a whirlwind." (64)

Thus in purposely creating riot and revolution, then government repression under martial law can be enacted as anticipated for example by the communist blueprint of Obama's National Defense Resources Preparedness Executive Order of 2012 (65) or in the UK, the Civil Contingencies bill. (66) Over 800 FEMA camps are documented to have been constructed in the US to receive dissenters. (67)

And Petr Cibulka testifies how the Russians are active in promoting civil collapse in synthesis of the global synagogue plan:

"At this time Russia is not trying to defeat the West by herself in a direct confrontation; but she is using anybody willing to help to destabilize and cause the total breakdown of the West. This method involves subversion from within and also from without, against Western countries. It is the breakdown of Western Civilization by removing its spiritual and moral pillars and replacing them with materialism and socialism. Also its economic, political and power structures, and it is necessary to fundamentally weaken the middle class and limit the bourgeoisie's political role. This strategy has apparently met with success." (68)

Immigrants, in particular muslims, have been progressively brought into Western countries as a powerful incendiary to civil war, in clash with ethnic populations.

3) Finally, Western identity to be broken.

As keenly observed by Mr Fitzpatrick of this website: "The perception of Russia as the anti-Zionist hero of the Middle East and as an Orthodox Christian ethno state serves the final goal of hoodwinking the last bastion of opposition to global communism: Western nationalists/conservatives. Win them over and it's game over. This is where we are at today. Putinist Russia and the Trump regime are all about streamlining conservative/nationalist sentiment into communist hands in Russia. The Western Left is

already Marxist; all that is left is to honeypot conservatives and anti-communists. This goal is almost a done deal, as most in the alt media and in the nationalist cause are pro-Russia, pro-Trump. What Jewry does next remains to be seen.” (69)

As Dugin has stated:

“Western Europe is experiencing a sunset, it will lose its identity. I am a follower of René Guenon (a gnostic), who recognized the crisis of Western societies far before the 21st century.” (70)

We know from the Protocols of Zion (No. 10) and from Rabbi Schneerson’s speech in 1994 how in operation of the synagogue, “The President is a screen, seemingly elected by a popular vote (and we will forge electoral procedures in such a way that they will seem so that everything would seem legitimate), and we are going to do all our necessary business from behind this screen.” (71)

Recognising the synagogue’s masterplan is phased, in order to destroy the conservative/nationalist/capitalist identity of the West, such types have been brought to prominence by the synagogue in the current time. In key example President Trump, conservative British Prime Minister Boris Johnson and BREXIT party leader Nigel Farage. It is likely that the synagogue will blow the financial system on their watch (possibly in mask of a ‘no-deal’ BREXIT and perhaps in the mix, the US/China ‘trade war’) in order to associate the calamity with this identity. Apart from the ensuing financial collapse leading to civil disturbance as described above, the conservatives/nationalists/capitalist constituency will be shepherded towards Putin in search of alternative, in plan as described by Mr Fitzpatrick. The possible revelations of Jeffrey Epstein (seemingly a long-range Kompromat operation by the Mossad/Soviet nexus) could add to tarnishing this identity and accentuating the narrative of Dugin’s Western ‘manic satanic elite’.

The synagogue will have prepared leaders in accord with the future phases of the plan. In Macron, we already have the type of a would-be dictator and such must be in place when martial law is to be imposed on the West. This will include an American President who will be scripted as the chief aggressor in cause of WW3.

In all, a fractured West, financial calamity, grave civil disorder/government repression and a new ‘aggressor’ Western Soviet Union controlled by a ‘manic satanic elite/globalists’. The stage is then set for the East to act as ‘liberators’ in the WW3 script as above.

ULTIMATE END – WORLD SYNAGOGUE DOMINATION

In summary of synagogue strategy, WW2 was deigned by the synagogue to destroy German power forever, establish the Israeli state, to impose communism on Eastern Europe in form of ‘liberation’ from Nazi Generalplan Ost, to destroy Eastern Christianity and to kill off millions of the white race.

In symmetry, WW3 is designed to destroy American power forever, establish a Greater Israel, impose communism (hidden in guise of the Perestroika Deception) on the entire world in form of the 'liberation' of the West from a 'manic satanic elite/globalists', to destroy Christianity in the entire world and to kill off 10's millions of the white race.

There needs to be a conflict with Israel and the Arab nations, so that undercover of war, Arab lands can be cleared in accord with the 'Oded Yinon-Plan' of the construction of a 'Greater Israel' from 'the Brook of Egypt to the Euphrates'. (72) Hence Mr Bahman Nassiri, an Iranian freemason now whistle-blower, testified in revelation of a secret freemasonic group in Washington D.C. called 'The Eagles':

"The Eagles' master plan is to set the entire Middle East on fire through revolutions, social unrest, and wars. Syria will be the last war before the 'big war' which will target Iran. Mr. Nassiri said he fears the attack on Iran may erupt into WW3. He said the secret society's master plan calls for turning the entire Middle East into a seething hotbed of hatred for the USA and Israel." (73)

Mr Benjamin Freedman who as we mentioned above was intimate with the war machinations of the synagogue, foresaw in 1961 how they would script the final world war, "When United States troops appear in the Middle East to fight with the Zionists as their allies to prevent the return of these people who were evicted from their homes in the 1948 armed insurrection by the Zionists who were transplanted there from Eastern Europe... when that happens, the United States will trigger World War 3." (74)

Yet, Syria and Iran are known Russian assets and also Palestine. RT reported that Palestinian leader Mahmoud Abbas and Ali Khamenei, Iran's Supreme Leader are former graduates of the Russian Patrice Lumumba university, which trains future foreign leaders. And we find that that Israel established Hezbollah and Hamas and Turkish President Tayyip Erdogan is possibly a crypto-Jew. (75) So the synagogue have the control to ensure the conflict is managed to the 'Greater Israel' objective. Also, they will seek to facilitate the 'accidental' destruction of any remnant of the life of Christ in Israel.

The nuclear destruction of New York and Washington has been depicted in sculpture at the freemasonic Cathedral of St John the Divine in New York. These particular sculptures were made in 1997. They are not a reference to 9-11, as they clearly depict clearly the destruction of both cities via missiles/vast explosions; (76)

As with the freemasonic murals in the US referred to earlier, that depict coming civil disorder and repression in the West, this 'foretelling' of events planned by the synagogue is commonly called 'Revelation of the Method'. However, in the first place, it is satan who is the ape of God, communicating his plans through his servants, Amos 3:6-7 & 1 Corinthians 14:6: "Shall there be evil in a city, which the Lord hath not done? For the Lord God doth nothing without revealing his secret to his servants the prophets.....But now, brethren, what shall I profit you, unless I speak to you either in revelation or in knowledge or in prophecy or in doctrine?"

After Western defeat in the war, in forward planning, the aforementioned FEMA camps will have been planned not only for pre-war martial law, but in finer filter of 'dissidents' during subsequent Russian and Chinese occupation of the US. As said above, ahead of destruction, the Western manufacturing base has been deliberately transferred to the East and the West is being filleted of its intellectual property and anything else of prime value the East and Israel can get their hands on. (77)

As concerns the destruction of Christianity, it is stated in Protocol 17, "We have long past taken care to discredit the priesthood of the goyim, and thereby to ruin their mission on earth which in these days might still be a great hindrance to us. Day by day its influence on the peoples of the world is falling lower. Freedom of conscience has been declared everywhere, so that now only years divide us from the moment of the complete wrecking of that Christian religion.... When the time comes finally to destroy the papal court the finger of an invisible hand will point the nations towards this court. When, however, the nations fling themselves upon it, we shall come forward in the guise of its defenders as if to save excessive bloodshed. By this diversion we shall penetrate to its very bowels and be sure we shall never come out again until we have gnawed through the entire strength of this place."

And in selection of Jewish writings, "The Kingdom of Rome, however, must be exterminated, because when corrupt Rome is destroyed, salvation and freedom will

come to God's Chosen People."

"What the Prophets foretold about the destruction of Edom in the last days was intended for Rome, as Isaiah explains (Ch. 34:1) Come near, ye nations, to hear . . . For when Rome is destroyed, Israel shall be redeemed." (78)

The Pope will be replaced by the Jewish Moshiach (antichrist) whose arrival was sought to be hastened by Rabbi Schneerson in conversation with Benjamin Netanyahu, who assured him 'we're doing, we're doing'. (79)

He will rule from Jerusalem in ape of Christ – Matthew 5:35 ...'Jerusalem, for it is the city of the great king', which will become the 'spiritual' capital of the world.

Moscow will become the 'civil capital' as Dugin reveals or the 'Third Rome', in succession of Imperial Rome and medieval Constantinople.

'Romania, Macedonia, Serbian-Bosnia' and Greece – Orthodox collectivist East – will unite with Moscow the 'Third Rome' and reject the rational-individualistic West.' (80)

The relationship between Russia and Israel will be as the spiritual (Jerusalem) to the secular (Moscow). Ultimately the spiritual is the controlling power as the soul governs the body. Hence, Putin visiting Jerusalem in 2012, donned the yarmulke and bent the knee to the 'spiritual', in praying for the rebuilding of the 3rd temple which signals the arrival of the moshiach, "An Israeli bystander called out in Russian, 'Welcome, President Putin.' Putin approached the man, who explained the importance of the Temple Mount and the Jewish Temple. Chadrei Charedim, an Orthodox Hebrew news site, reported that Putin responded, 'That's exactly the reason I came here – to pray for the Temple to be built again.'" (81)

Chabad Lubavitch website, "Maimonides teaches that the Temple will be built by Messiah himself, and in fact its construction will be one of the signs that he is indeed the Messiah." (82)

The plan of Jerusalem as the absolute capital of the world was revealed by French super- Jew Jacques Attali (some call him the 'Lord of Europe') in 2010, "One can imagine, dreaming of a Jerusalem becoming the planet's capital that will one day be unified around a world government." (83)

But the 'dream' of the synagogue, will be a nightmare for the non-Jews.

The 'gentiles' will become technocratic slaves through a microchip necessary for all transactions, which in function is being prepared through Chinese global 5G roll-out. (84) As the late Rabbi Ovadia Yosef said in 2010, "Why are gentiles needed? They will work, they will plow, they will reap. We will sit like an effendi and eat... That is why

gentiles were created.” (85)

The Noahide laws will be implemented, which in banning worship of idols, will be outlaw Christianity. (86) The prototype of life is the Chinese ‘social-credit’ system. The synagogue will work to eventually reduce to nothing the white races.

In all, final world synagogue domination – a 1000 year ‘Pax Judaica’ or as Rabbi Schneerson said at the beginning of this article the ‘conquering all the tribes and kingdoms, their subordination to our superior nation, chosen by God of Israel.’

Simply, global Pharaonic servitude for the non-Jew.

WHAT DO WE DO?

Luke 18:1 – ‘And He spoke also a parable to them, that we ought always to pray, and not to faint.’

That the West is virtually completely blinded to the Perestroika Deception and that we are encircled by communism readying for military conquest, must be seen as the penultimate punishment from God, prior to the ultimate punishment in form of the antichrist.

2 Thessalonians 2:10 – “God shall send them the operation of error, to believe lying.”

In symmetry, the same is true regarding the current worldview of the first-grade antichrist Vladimir Putin, in how the world will view antichrist, Apocalypse 13:3-4 – ‘And all the earth was in admiration after the beast..... saying: Who is like to the beast?’

When the antichrist comes, we will seek to expose him to others and if successful, a flood of blindness will be lifted. This should be our general strategy now in terms of Putin and in part 1, we have given definitive proof he is an acolyte of Lenin and a fake Christian/crypto-Jew. We have exposed the Perestroika Deception and that East is preparing to conquer the West. Therefore, we must work busily to expose these truths and not only in the West but in the East, as the Russians and Chinese are being deceived to combat with the West, in end of their own slavery. That is the plan of the synagogue for all gentiles.

The Jews Putin and Medvedev are willing to destroy 10’s millions of both Eastern and Western lives. It is necessary that the synagogue should have their own in the public leadership positions, because their ‘religion’ permits them to do this. In the Zohar it says Christians are idolaters whose existence hold captive the Jews and whose destruction heralds complete Jewish freedom:

“The People of the Earth are idolaters, and it has been written about them: Let them be

wiped off the face of the earth. Destroy the memory of the Amalekites. They are with us still in this Fourth Captivity, namely, the Princes of Rome. . . who are really Amalakites.”

“It is certain that our captivity will last until the princes of the gentiles who worship idols are destroyed.”

And the Zohar promises those who destroy Christian nations will have a high place in heaven, “In the palaces of the fourth heaven are those who lamented over Sion and Jerusalem, and all those who destroyed idolatrous nations ... and those who killed off people who worship idols are clothed in purple garments so that they may be recognized and honored.” (87)

Let us be aware that it is likely that more crypto-Jews will appear in leadership in the West, who will also have no ‘theological’ qualms about killing 10s millions of gentiles in the synagogue’s manufactured WW3.

It is divined from research that the notice period for the attack by the East is when NATO is dissolved and it will happen overnight in surprise. That gives us between 1-3 years to make some headway and try to get in front of their strategy to disrupt it. National military must be prioritised for discrete enlightenment, for we face the synagogue controlling our governments against ourselves – they are a de facto occupying power. As with the Roman proconsul quoted in Scripture above from whose influence the Jew Elymas was removed by St Paul, the synagogue influence (and freemasonry) on our government and nations must be removed, to restore the moral order and that liberty, prosperity and peace may reign.

With thanks to the Blessed Virgin Mary for this information. St Louis Marie de Montfort – True Devotion to Mary, “But the humble Mary will always triumph over Satan, the proud one, and so great will be her victory that she will crush his head, the very seat of his pride. She will unmask his serpent’s cunning and expose his wicked plots. She will scatter to the winds his devilish plans and to the end of time will keep her faithful servants safe from his cruel claws.” (88)
